

Phytomanagement for a Bio-based textile industry

Key facts & numbers

4 Years:
from October 2024 -
September 2028

5 Million Euro:
European Commission,
Horizon Europe

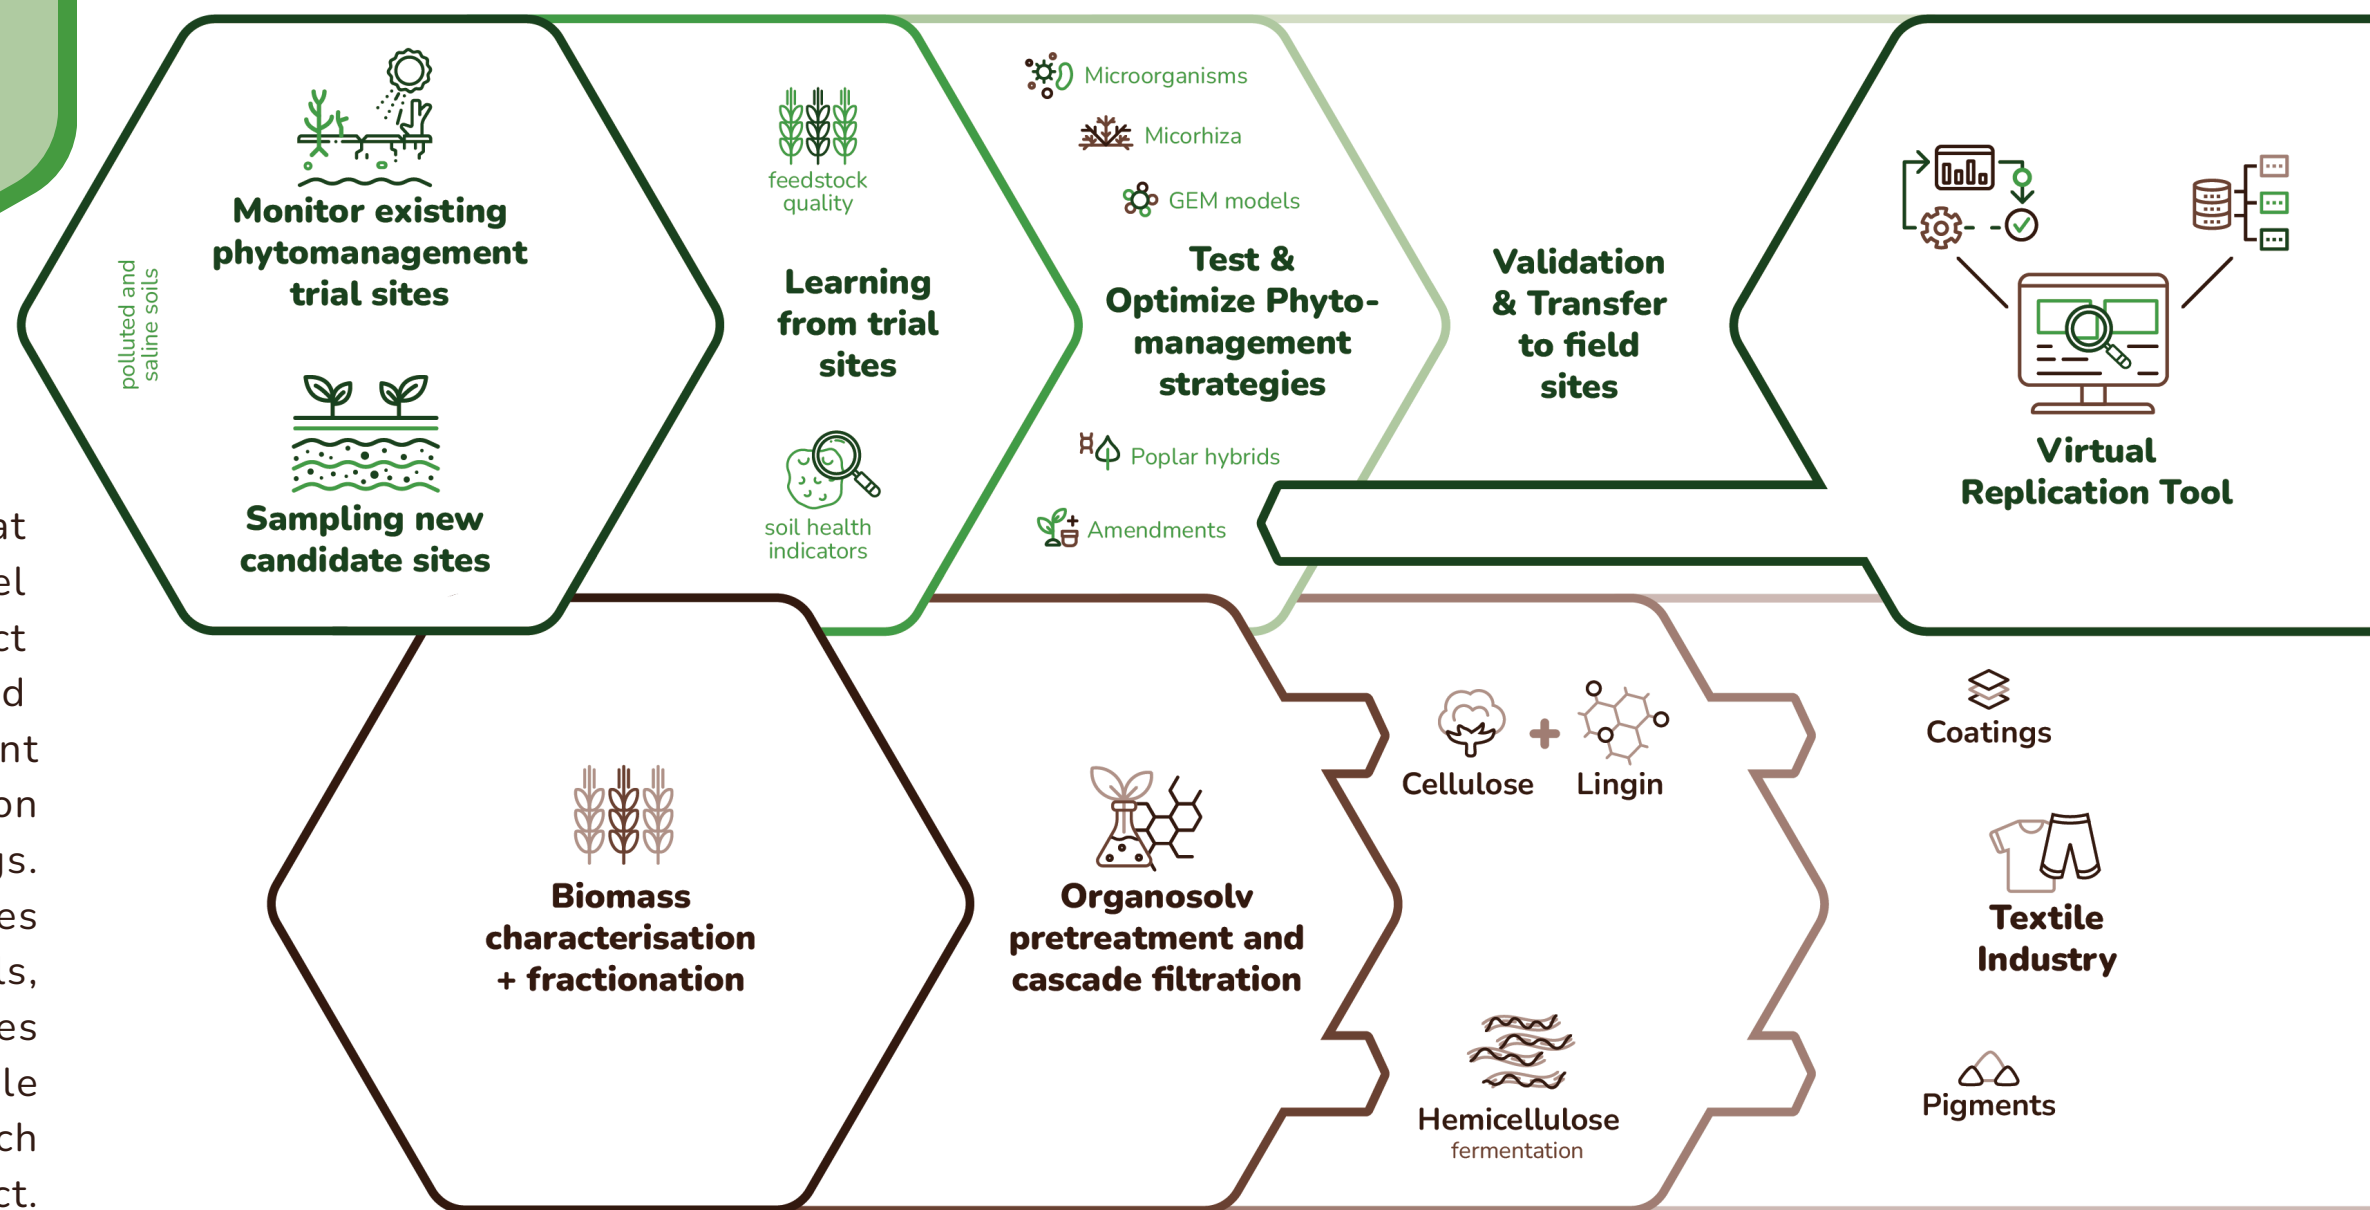

10 Partners in:
Spain, Italy, France,
Croatia, Germany

4 Case Studies:
Spain, France, Croatia

PHYBi is an initiative funded by the Circular Bio-based Europe Joint Undertaking (CBE JU) that aims to combine the phytoremediation of polluted soils with the valorisation of lignocellulosic biomass to contribute to soil health and a bio-based circular textile industry.

Phytomanagement Strategies

Feedstock Valorization

Consortium

The project is supported by the Circular Bio-based Europe Joint Undertaking and its members. Co-funded by the European Union under grant agreement No 101156439.
